

# Prime Time Crocker Farm

## Welcome to Prime Time Crocker Farm

Prime Time After School is excited to offer an option to the Crocker Farm families for your after school care. Our EEC licensed program offers a structured program for children grade K-6. For grades K-3, we provide a more structured program with age appropriate activities. For our older students (grades 4-6) we offer a less structured program with activities geared toward their age group. Our program led by Grace Marczuk, along with all of our staff are CPR and first aid certified and

have received comprehensive child care training.

We are also happy to announce we will be providing care on Conference Days, Early Release Days and Curriculum Days. Early registration is required for these days. See below for more information!

## Amherst Leisure Services (LSSE)
